REQUEST FOR FILING CONTINUING OR DIVISIONAL
PATENT APPLICATION UNDER 37 C.F.R. 1.60

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This is a request for filing a continuation application under 37 C.F.R. 1.60 of pending prior application Serial No. 08/134,881, filed on October 12, 1993, by Steven E. Koenck, for "Battery Conditioning System Having Communication With Battery Parameter Memory Means In Conjunction With Battery Conditioning."

Enclosed are :

- * a copy of the prior application, including the specification (61 pages, including 48 claims); an abstract of the disclosure (1 page); two appendices (12 pages); 6 sheets of drawings; the declaration and power of attorney (4 pages); each as originally filed;
- * a declaration by an attorney of record verifying that the enclosed copy of the application is a true copy of the application as originally filed, and that no amendments referred to in the declaration filed to complete the prior application introduced new matter therein;

The filing fee due for this application is affected because:

A

- * The applicant hereby directs that original Claims 2-48 of the prior application should be cancelled before calculating the filing fee. This amendment leaves at least one original independent claim from the parent application pending.

The following arrangements are being made to pay the government fees due.

- * No fee is enclosed with or authorized by this letter.

The specification should be amended as indicated below:

- * Please amend the Specification by inserting before the first line the paragraph:
